ABOUT ME

I have worked in the senior living world since 1995 in various settings from skilled nursing to assisted living. I have held various roles from activities, sales, operations, regional and corporate level positions. I am a Certified Recreational Therapist, a Certified Dementia Practitioner and a Certified Alzheimer's Disease and Dementia Care Trainer for the National Council of Certified Dementia Practitioners (NCCDP).

I am passionate about teaching and facilitating a positive education seminar for the participants. I like to use an interactive teaching style. I like to engage participants to share their own stories and experiences in a manner that is fun and approachable.

I have presented at various state and national level conferences over the years. I am excited to offer this important NCCDP course to the community.
